The total fee above covers all compulsory tuition costs for the year including payments for camps and the technology levy for all students. No refund is possible for non-attendance at camps.

All students in Years 5 – 11 will have individual access to a laptop. If a student leaves the school during the year there will be no pro-rata refund on the computer levy. This laptop will be maintained by the College. If the machine is damaged there is a \$300 insurance excess. Foundation and Year 1 students will have access to class set of a Technology Device at various times during the year.

As a part of our commitment to providing a learning experience which is at the very fore front of education in this technological society, we will endeavour to access the majority of our learning resources online or via computer programs. This means our La Valla and Montagne students will not receive a booklist which is a significant cost saving for each family. The costs of the online programs used within Numeracy, Literacy and Languages are included in the tuition fees. Students in the Champagnat Learning Experience may be required to purchase a range of books and specialised equipment dependent on the learning areas studied. All stationery and books can be purchased through CVOS or a preferred local provider.

Other costs which may result from an individual's situation (e.g: instrumental music lessons) may be added to the calculation if they are added to the account.

All students that have paid the \$100 deposit will have this amount credited to their account in January 2018.

### **Fee Payment Methods and Due Dates**

The fees are charged annually in January. School fees are to be paid by direct debit via credit card or bank account. These fees can be paid weekly, fortnightly or monthly.

Direct debits will commence:

Annually	15/02/2018
Weekly	05/01/2018
Fortnightly (A)	12/01/2018
Fortnightly (B)	05/01/2018
Monthly	15/01/2018

### **Withdrawal of Students from the College**

It is assumed that if a student leaves during the term, fees will be paid to the end of that term, this requirement may be waived by the Principal.

### **Fee difficulties**

If you are expecting to experience difficulties paying the tuition fees please contact the College Business Manager, Mrs Rosemary Scarlett, on 5400 1252 or by email [rscarlett@marist.vic.edu.au](mailto:rscarlett@marist.vic.edu.au) for a confidential discussion.
