CYBER SAFETY INFORMATION EVENING

Tuesday 22 November, 2016
6.30pm to 8.00pm

Senior Constable Vanessa Bates has had over four years of presenting to schools and has presented sessions to our students throughout the year. The areas that she will be discussing are:

• Do you really know what your adolescent is doing online?
• What can I do to keep my child safe online?
• How would I know if my child is being bullied?
• What constitutes online harassment and bullying?
• What should we do if my child is being bullied?
• How can my child’s digital footprint affect them negatively as an adult?
• What is the updated legislation around sexting and bullying?
• Did you know that inappropriate texts starts with grade 5/6 students?
• Why is it a bad idea to confiscate technology as a punishment?

If you would like to attend please email Jan Nelson on jnelson@marist.vic.edu.au or phone the College on 5400 1252 and let us know that you would like to attend.
